Steve Willis, manager of Radio Station WJNO at West Palm Beach, was guest speaker at the regular Lions Club meeting. Mr. Willis, a local resident, Mr. Willis traced radio from its inception in 1921 down to the present. His talk was highly interesting to the Roates and proved educational to those of us who were watching more closely than the way the tube in a station.

Belle Glade club was well represented at the meeting with following members present: Dick Lefever, Louis A. Ross, Fred Koch, Kirkman, Jake Ennis, Dick Townsend and L. E. Hamlin. Sgt. Ray Ghebo was a guest of Victor Geiger. Rev. S. B. Jordan a guest and invited members of the club to attend the meeting at Peacock Inn in a body next Monday night.

LIONS LETTER

Lion Members:

You will be surprised that a Lion Brother is not writing the letter to you this week, but the one who managed the letter and blacked it out so that it can't be seen on the right tune was singing their club songs. The last two weeks one of the newest members Lion Al Millar has been leading the song for the tile everyone who is making a good job of this. There were thirty-five present at the luncheon. Lion Shirley was able to be present, as you know he has been on the sick list, but is improving rapidly.

We had as visitors today from the Belle Glade Club, Coach Hobson, Mr. Smith, and Ralph Kirk, whose Brother John Kirk has qualified for the Sheriff's place in the county.

R. E. Elkins was inducted as a new member and was given a warning as to the methods of the Tail-twister Roy Segree would use.

You should see the building after it has been given a coat of white paint both on the inside and out and the floors sanded and varnished, it has made an attractive meeting place for the Club as also the Rotarian Club and other civic organizations.

Lion Frank Zelmer, as program chairman, introduced former Mayor of Red Dunbar, who is in charge of the Red Cross here, and Lion Rupert. Mock is the Treasurer for this area. Lion Walter Bundy of Kissimmee, was introduced and gave an interesting talk on the work of the Red Cross.

The Byrd-for-Best Movement in Florida gathered momentum last week when enthusiastic Byrd supporters from all parts of the State filled the Ballroom of the George Washington Hotel to capacity and formed a statewide Good-For-President organization.

Joe C. Jenkins, a prominent member of the Florida Legislature was elected State Chairman. Former Governor Cary A. Hardee was elected Honorary Chairman and Executive Committee selected representing all parts of the State.

The key note speech was made by Sen. Jenkins, who was introduced by State Senator Joe Matthews, a Jacksonville man. In his address Jenkins attacked the existing bureaucratic government in Washington as a virtual dictator, operated through impractical and illegal rules, regulations, decrees, and executive orders.

Jenkins said we need a leader like him to bring about a real government that looks ahead, to a true Southern Democrat, of pure Jeffersonian strain," and proposed Senator Harry F. Byrd of Virginia as the ideal leader in these chaotic times.

Resources Board Plans To Employ Salaried Manager

By Paul Rardin

At a meeting of the Pahokee Community Resources Development Board held Friday night in the Lions Club building, the group voted to employ a salaried manager to promote the completion of projects planned and approved by the local board. It was announced that the new manager would be hired just as soon as a person qualified to handle the job can be found.

Constable W. Knight of the highway commission reported the one highway project being backed by the board is the proposed state highway connecting Bacon Point in Pahokee with South Bay which will be built in the initial farm-to-market transportation of Glades vegetables. A paved State highway connecting the Pahokee State Farm Market with Road 143 was recommended by the FBC crossing is also being strongly backed by the board, he said.

Roy Vandegrift, B. Elliott and Don Hillier, members of the Pahokee Community Resources Board, they had recently conferred with the Palm Beach Port Commission to recommend that specifications for the proposed dock in Lake Okeechobee be increased in length from 150 feet to 200 feet.

The agriculture committee announced that it was urging the State Agriculture Department to increase agricultural experiment work in the Glades by increasing the number of new types of profitable crops, better stock breeds and similar services that will eventually make Glades farming more diversified and a year-round business.

W. A. Keen and Frank O'Conor reported that a non-profit corporation is being formed to plan, raise money and construct the proposed memorial park and educational center for the area. The preliminary work on this project is progressing satisfactorily, they said.

IF?

Your monthly bank statement didn't show what you thought was the proper balance, what should you do? We can't tell you exactly, but we could afford it directly to the bank and investigate. Why? Because it involved your finances.

But suppose each month when your child brings his report card home that his marks aren't up to what you think they should be? What do you do? Do you investigate? Do you call the teacher? Or do you make an honest effort to ascertain just why his marks aren't up to par? Do you try to remedy the situation?

It's just a thought. Maybe it's just a thought, but it's at stake and could be brightened with a little thoughtful cooperation on the part of parents.

S. I. almost forgot to say that I have a son in the service now or also that would never do, as he came with Lion Duncan

It's a story of love and adventure, adventure that can only be experienced in the open spaces, and can best be told by such men as Richard Arlen and Bill Henry, especially when they are ably assisted by Jean Parker.

THOUSANDS OF ARMY VEHICLES USE SINCLAIR LUBRICANTS

In saving wear and avoiding breakdown the U. S. Army uses Sinclair lubricants in many "Jeeps," tanks and other vehicles. Your Sinclair Dealer has the same quality lubricants to reduce wear in your car.

To save engine-wear he has Sinclair Opaline Motor Oil. Opaline stands up better and lasts longer because it is not only de-waxed but also de-jellied. Play safe, have your Sinclair Dealer drain and refill your crankcase with Opaline every 1,000 miles.

FIGHTING PARTNERS

The boy in the tank and the man on the tractor are partners—fighting partners—in this war for Freedom! We on the home front must furnish the food (16,000,000 more acres of it than last year's record total), to supply our boys with what they need for Victory.

With farm labor short, every piece of farm machinery must be kept in the fields working, in fighting trim, and not in the shed for repairs. Rust, dirt, and water must be prevented.

In this More Food

Production fight, your Standard Oil man is also a fighting partner. He is helping the Southern farmer keep his trucks, tractors and machinery fighting-fit by giving helpful service and advice on farm machinery maintenance and making dependable fuels and lubricants available everywhere.

Always anxious to serve, your Standard Oil man can certainly render you extra services now. Ask him for a free copy of his 64-page "Wartime Maintenance Manual."

A MERICA's greatest postwar duty will be jobs for returning service men and women . . . and especially for disabled veterans.

Only by plowing down can we unfailingly pay our debt to those who have been disabled in our nation's defense. They must be given the opportunity to work as ably as non-handicapped persons.

They must know that jobs will wait them on completion of rehabilitation training . . . full time, full wage jobs in surroundings where they will find health, happiness, self-respect, and a sense of achievement. This knowledge will promote mental serenity and speed their recovery.

Florida is fortunate in being able to show America the way and at once begin the placement of handicapped veterans in the development of her unrivaled natural resources—sunshine, rainfall and fertility.

In the United States Sugar Corporation's plans for immediate and future expansion we stand committed to our share of this worthwhile effort. We invite all employers to join us in creating opportunities for handicapped veterans. Communicate with State Headquarters or the Washington office of the Veterans' Administration or your local posts of veterans' organizations.

THE OLD JUDGE SAYS...

"Judge, would you mind tellin' Charlie here what you told me the other night walkin' home from bridge. I can't word it just the way you said it." "Say somethin' Tim. Here's what I told him, Charlie. There's no such thing as a nation, a state, a county, or even a community. The money's going to go to gamblers and bootleggers. That's the answer, boy... simple as A-B-C."
